

SC CONNECTORS

All AMP SC Connectors are NTT SC compatible and are made under license from NTT. AMP SC connector products provide high performance and ease of use.

All allow simple field or factory termination in a minimal amount of time. A pre-radiused ferrule makes PC polishing simple and does not require expensive polishing equipment.

Performance Characteristics:

	Singlemode	Multimode
Insertion loss:	0.2dB typical	0.3dB
Durability:	<0.2dB	<0.2dB
Return loss:	<-55dB	N/A

Simplex SC Connectors and Adaptors

Description	Order Code
Multimode SC connector, 3mm cable boot	5503948-2
Multimode SC connector, 900µm fibre boot	5504932-2
Singlemode 126µm ferrule connector	5504646-3
Multimode metal sleeve simplex coupler	5504614-1
Multimode metal sleeve duplex coupler	502776-8
Singlemode ceramic sleeve simplex coupler	1-5502632-1
Singlemode ceramic sleeve duplex coupler	1-5502776-1

Duplex SC Connectors and Adaptors

Description	Order Code
Multimode SC connector	5504657-2
Singlemode 126µm ferrule connector	504655-2
Duplex multimode coupler	502776-8
Duplex singlemode coupler	1-5502776-1

Tooling Kit

Description	Order Code
Polishing Bush	502631-1
Crimp Tool	58433-4
