Fibre size	
A	50/125µm OM2
A3	50/125µm OM3
A4	50/125µm OM4
B	62.5/125µm OM1
D	9/125µm SM

For specialised fibre please contact Tech Optics Ltd.

Number of fibres	
00	Simplex 900µm
01	Simplex 3mm
02	Duplex 3mm
51	Simplex 1.8mm
52	Duplex 1.8mm

For higher channel counts, harsh environment and specialised cable please contact Tech Optics Ltd.

Connectors End 1 – End 2			
11	SMA 905 Stainless Steel	44	SC Duplex Singlemode
13	SMA 906 Ceramic	45	SC Angle Polish (APC)
31	ST Stainless Steel	53	FC PC
33	ST Ceramic	55	FC APC
35	ST Singlemode	57	FC Multimode
41	SC Multimode	88	LC
42	SC Duplex Multimode	89	LC Duplex
43	SC Singlemode	00	No Connector (Pigtail)

For other connectors including MTP® / MPO and harsh environment connectors such as the Amphenol MFM please contact our sales office on (01732) 770 456 or sales@techoptics.com

Length in m	
0.5	500mm
1	1m
1.5	1.5m
2	2m
...	...m

- Notes:-**
- Assemblies manufactured to this drawing are RoHS and REACH SVHC compliant.
 - Assemblies manufactured to this drawing are not configuration controlled and may use fit, form and function alternatives from multiple manufacturers.
 - All assemblies are supplied with test results (IL) and unique serial numbers.
 - Assemblies are manufactured in Tonbridge, UK unless otherwise stated.
